## **CONCLUSION**

My Morbid Mind is a high startle, in your face, interactive haunted attraction unlike anything you have ever seen. We have only one goal; to scare you. We do not claim to be "spooky" or "Halloweenie", nor do we claim to be in anyway child friendly (except on "Kids Night" as advertised). You will be harassed, badgered, toyed with, confused, overwhelmed and generally taken to the edge of insanity. Your senses will be bogged down with extreme effects. MMM is a bloody, gory, graphic, intense, and horrifying, wet your pants, scream bloody murder attraction and operates as such. We do not grant mercy to women and children, or anyone else for that matter. This is the haunted house you have been asking for! Your challenge is to pay us a visit and see if you can survive!
